Washington, D. C. 20555

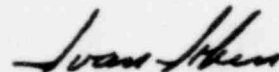

Dear Mr. Denton:

Thank you for your invitation to attend the opening of the new Middletown office of the Nuclear Regulatory Commission.

Because the House of Representatives was in session on January 30th, I was unable to attend the opening. Nevertheless, I hope that my schedule will permit a visit to your new office in the not too distant future.

Again, thank you for the invitation.

Sincerely,

Ivan Itkin
