PMS JOSEPH W HENDRICH CHAIRMAN U.S. NUCLEAR REGULATORY COMMISSION, DLR  
WASHINGTON DC 20555

HORRIFIED TO FIND YOU ARE THINKING OF PERMITTING UNIT 1 TO OPEN NEXT  
TO SMOLDERING UNIT 2 ON THREE MILE ISLAND. WHAT KIND OF PERSON ARE  
YOU TO CONSIDER THE FINANCIAL PLIGHT OF NETED AS IMPORTANT AS THAT OF  
THE HEALTH AND WELFARE OF THE PEOPLE LIVING IN THIS STATE.

THREE MILE ISLAND IS NOT SAFE. WE WANT IT CLOSED AND WE WANT A  
MORATORIUM ON THE LICENSING OF ALL NEW NUCLEAR PLANTS.

DR AND MRS MARSHALL F JONES
