

February 15, 1980

C. Jean Bishop
Secretary
Atomic Safety and Licensing Appeal Board
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Re: Docket No. 50-320
Docket No. 50-485
Docket Nos. 50-277 and 50-278
Docket Nos. 50-354 and 50-355

Dear Ms Bishop:

As requested by the Appeal Board in an Order dated January 21, 1980, the Intervenor in the Three Mile Island, Unit 2 (Docket No. 50-320) and the Peach Bottom, Units 2&3 (Docket Nos. 50-277 and 50-278) proceedings will be represented by Dr. Chauncey Kepford.

In the radon-222 proceedings, these Intervenor will not be presenting any witnesses. The pressures of other proceedings have made it impossible to be able to do the necessary background work to prepare a coherent testimony.

In the aircraft crash proceeding, the Intervenor will present Dr. Judith H. Jonnsrud, who will testify about a recent flight over the TMI site.

In addition, the Intervenor may be in a position to ask that this Appeal Board issue a subpoena for a TWA pilot who has flown Boeing 707s into Harrisburg International Airport by flying over the TMI site. We expect to know whether or not this request for a subpoena will be made by Feb. 20, 1980. In any event, the Intervenor will advise the Appeal Board by telephone on that date.

Yours sincerely

A handwritten signature in cursive script that reads "Chauncey Kepford".

Chauncey Kepford
