Dear Robbie,

Thank you for your inquiry about publications pertaining to the accident at Three Mile Island. I regret that this answer to your letter is too late for you to use in your school report. The accident and its consequences have created a substantial increase in the agency's workload, which has prevented us from responding to you as promptly as we would have liked.

I am enclosing summaries of two NRC reports which may be of interest to you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Harold R. Denton".
