POOR QUALITY PAGES

On November 29, 1979 you authorized (NRC Form 426) submittal of my paper for presentation consideration at the Northeast Fish and Wildlife Conference, sponsored by the Northeastern Division of the American Fisheries Society. Attached is the letter approval of my submittal from the conference program chairman along with an advance copy of the program sessions. My paper which stems from NUREG-0596 is scheduled for presentation on Monday afternoon April 28, 1980. Please also note: the session on power plant effects; the papers on shortnose sturgeon; and the papers that are relevant to areas or regions where nuclear plants exist.
