Dear Mr. Rogers:

In response to your February 12, 1980, letter, I am enclosing copies of the transcripts made of the public meetings in Denver and Albuquerque. A summary report of the meetings was not prepared, nor was an attendance registration required for these informal public meetings. However, each commentor and their affiliation is identified in the transcripts where possible.

If you have any further questions, please don't hesitate to call me (301/427-4103).

Sincerely,

Betty Fisher
