Honorable Joseph M. Hendrie
Commissioner
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Joe:

As you know, it has become an annual custom for me to attempt to obtain you as a luncheon speaker at the ALI-ABA course on Atomic Energy Licensing and Regulations, and I am hoping that I will be successful this year.

The program this year will be held here in Washington on the 24th, 25th, 26th and the morning of the 27th of September. I hope you will be able to speak on either Wednesday, September 24, or Thursday, September 25. You may speak either day on a topic of your choice. Although this need not be controlling for purposes of your topic, the program on the 24th will be largely devoted to Three Mile Island issues while the program on the 25th will be largely devoted to nuclear export issues.

I look forward to your early reply, hopefully affirmative.

Best wishes.

Sincerely,

H.P.G.
Harold P. Green
