Washington, D. C. 20555

SUBJECT: PAN AMERICAN WORLD AIRWAYS, INC., AEROSPACE SERVICES
QUALITY ASSURANCE PLAN FOR TRANSPORTATION PACKAGES
FOR NORMAL/SPECIAL FORM RADIOACTIVE MATERIAL (10 CFR 71)

REFR: USNRC Letter to Pan Am (FCTR:RHO 71-0096) dated
17 December 1979

Attached are seven copies of the revised subject plan as required by the referenced correspondence. The revised plan has been compiled to conform to the requirements of the guide received from your office in January of this year. If there are any questions or additional information required regarding our plan, please contact G. M. Marmaro or R. K. Martin of our Health Physics Office at FTS 824-9917.
