Dear Mr. Crow:

This is in response to your request for the name of the chief executive of the municipality or county mentioned in the Environmental Report submitted in support of our License Application dated December 31, 1979 and relating to a nuclear fuel fabrication plant planned for Alabama.

In fact, the subject Report cites the proposed plant location as being "in Autauga County near Prattville, Alabama, about 12 miles northwest of Montgomery." Thus, I feel it is fitting to provide you with the names of the following chief executives of Autauga County, Montgomery, and Prattville, respectively:

Mr. James D. Corley
Judge of Probate
Autauga County Courthouse
Prattville, Alabama 36067
(205)-365-2281

Mr. Emory Folmar
Mayor, City of Montgomery
P. O. Box 1111
Montgomery, Alabama 36102
(205)-262-4421

Mr. C. M. Gray
Mayor, City of Prattville
Prattville, Alabama 36067
(205)-365-6736

It is appropriate that each of these individuals should be kept fully apprised of all activities relating to review and licensing of the proposed plant.

If you have further questions regarding this issue, please contact me at (412)-273-6300.

Very truly yours,

WESTINGHOUSE ELECTRIC CORPORATION
