and 50-286

The Honorable Benjamin A. Gilman
United States House of Representatives
Washington, D. C. 20515

Dear Congressman Gilman:

This is in response to your February 26, 1980 transmittal which enclosed a February 18, 1980 letter to the NRC from Z. E. Fleisher, Corresponding Secretary of the West Branch Conservation Association.

Enclosed is a copy of Mr. Denton's reply to Mr. Fleisher.

I trust that your constituent will find that we have provided the material he requested. It is regrettable that it was not possible to get them to him in time for his February 26 meeting, as he had requested.

Sincerely,

(Signed) E. Kevin Cornell
