Gentlemen:

This refers to the meeting conducted in the Region II Office on March 26, 1980 at our request. This meeting related to activities authorized by NRC License No. R-97 for the Georgia Tech Research Reactor. Meeting attendees are listed in the enclosed report.

Our concerns about the effectiveness of your management controls were expressed to you at the meeting and your positive response to our concerns is appreciated. The details of the subjects discussed are described in the enclosed inspection report.

It is our opinion that this meeting was beneficial and provided a better understanding of inspection and enforcement issues. In accordance with Section 2.790 of "NRC Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and enclosure will be placed in the NRC's Public Document Room.

Should you have any questions concerning this matter we will be pleased to discuss them.

Sincerely,

James P. O'Reilly
Director
