To: Robert Ahern, Nuclear Regulatory Commission, Washington, D.C. 20555

As a registered voter of Illinois, I wish to register my protest against the proposed decontamination of the Dresden Nuclear Plant, scheduled to take place in March. I urge you to use your influence to assure that:
1) An Environmental Impact Statement be done prior to undertaking this risky procedure, and 2) Public hearings be held immediately addressing the safety of this as yet experimental process.

(Signed) Lee Petrie
