Robert Ahern
Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Ahern:

As a registered voter of Illinois, I wish to register my protest against the proposed decontamination of the Dresden nuclear plant scheduled to take place in March. I urge you to use your influence to assure that

1. an environmental impact statement be done prior to undertaking this risky procedure, and
2. public hearings be held immediately addressing the safety of this as yet experimental process.

Sincerely,

George Bridges
