Dear Dr. Gustafson:

This letter is in response to your January and February, 1980 monthly progress reports for the NRC Contract FIN Nos. A-2010 and A-2143.

The only comment we have on the project status summaries and associated costs provided in these reports are the January costs for the Kerr-McGee West Chicago project charged to A-2010. These costs should have been charged to NRC Contract FIN Nos A-2157 which has been the FIN No. for the Kerr-McGee project since October 1, 1979. Please transfer these January charges from A-2010 to A-2157 and confirm in writing that this has been done, in your next monthly progress report.

Sincerely,

Original Signed By:
