Docket No. 50-339  
License No. NPF-7

Dear Mr. Denton:

During recent discussions with Mr. Alexander Dromerick, a member of your staff, we were requested to provide you with copies of the emergency procedures for North Anna Unit 2 pertaining to loss of feedwater flow.

In accordance with your request, we have enclosed copies of nine procedures relating to the loss of feedwater flow and to the auxiliary feedwater system.

We hope these procedures will prove helpful to your review.

Very truly yours,
