Dear Mr. Rothfleisch:

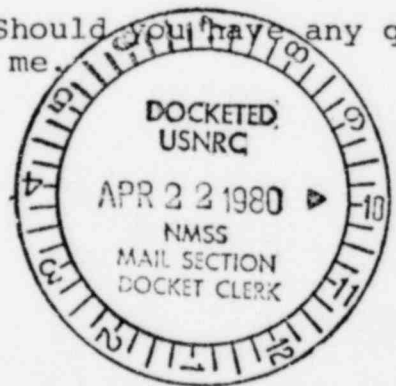

Re: Docket No. 40-8380; License No. SUA-1228

Enclosed is Form NRC-2, License Renewal Request, completed in quadruplicate, signed and dated. This form should accompany my letter of January 23, 1980 which was the original submittal date of the Nine Mile Lake license renewal request.

Also enclosed are four copies of the revised Review of Operations at Nine Mile Lake. The review describes activities at the project from 1976 to present and summarizes the radiological monitoring results of preoperational and operational programs.

Copies of this Review of Operations are also being sent to Dr. Kelley at Oak Ridge National Laboratories and appropriate personnel with the Wyoming Department of Environmental Quality.

Should you have any questions, please don't hesitate to contact me.

Sincerely,
Michael R. Neumann
