Reference: Letter, C. E. Bowers to W. T. Crow,
CEB: 80-25, dated January 28, 1980

Gentlemen:

The referenced letter transmitted a revision to Part 925.17 of License SNM-777 to you for review. Enclosed with this letter is a check for the minor amendment fee associated with that revision.

Very truly yours,

C. E. Bowers by James M. M'Curran

This payment is being made under protest to the Nuclear Regulatory Commission as a result of the final order of the United States Nuclear Regulatory Commission entered on February 9, 1978, and publicly noticed on February 21, 1978 (43 Federal Regulations 7210), Title 10, Chapter I, Code of Federal Regulations, Part 170, entitled "Fees for Facilities and Materials Licenses and Other Regulatory Services under the Atomic Energy Act of 1954, as Amended, Revision Fee Schedule". UNC Fuel Recovery Operations reserves the right to have all payments made as a result of this rule refunded if, as a result of future review or as a result of any subsequent action on the part of any other licensee or concerned party, this rule is determined to be illegal under Federal or State legislation.
