Dear Dr. Hendrie:

I just wanted to take a moment to thank you again for taking time out of your busy schedule to meet with my student, interns during their recent visit to Washington.

One of the chief goals of this program is to illustrate to these young men and women that the federal government and our public officials are indeed accessible. Your willingness to speak with them helped to make the program a tremendous success.

Please don't hesitate to call on me if I can ever return the favor in any way. Again, thanks so much! With warmest regards, I am

Sincerely,

Bill Archer
