U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Re: Docket No. 50-148

Dear Mr. Reid:

On January 24, 1980 Dean David Kraft submitted a proposed revision of the Physical Security Plan for our facility. Our records do not indicate that the receipt of the Plan was ever acknowledged. Can you advise us if the Plan was received.

We can see problems in implementing the Plan August 18 if it is not approved soon.

Very truly yours,

A handwritten signature in cursive script that reads "Russell B. Mesler".
