Vandy Miller, Chief License Management Branch  
Office of Nuclear Material Safety and Safeguards  
Washington, D.C. 20555

Subject: Termination of License SNM-1677  
Reference: Control No. 15233

Dear Mr. Miller:

This letter documents our request to terminate License SNM-1677, docket no. 70-2317, which would expire September 30, 1981. You are in receipt of Form NRC 314 "Certification of Disposal of Material" as evidenced by your Control No. 15233.

Is there any other action required by Teledyne Cast Products to terminate the subject license?

Sincerely,

TELEDYNE CAST PRODUCTS
