LETTER NOTICE OF DEFAULT TERMINATION

1. Contract No. NRC-17-80-448-01 effective January 19, 1980
STENOGRAPHIC REPORTING SERVICES (LOT #1)
APPROPRIATION DATA 31 X 0200.700
B&R No. 70-19-02
FIN No. B1311
2. As set forth in my Show Cause letter of April 16, 1980, transcripts have contained garbled and misleading statements, attributed statements to persons other than those who made them, inaccuracies in the reporting of simple technical terms and lacked conventional punctuation. Reporters have been arriving late for hearings. Transcripts have been delivered late, impacting the hearing review processes of the Commissioners, the Atomic Safety and Licensing Board Panel, the Atomic Safety and Licensing Appeal Panel, and the Advisory Committee on Reactor Safeguards. Subsequent to my Show Cause letter, I received notification of further late deliveries. You have also failed to make sufficient progress in securing personnel security clearances and failed to submit transcripts in accordance with the terms of the contract.
3. Your right to proceed further with the performance of your Contract No. NRC-17-80-448-01 (hereinafter referred to as "the contract") is hereby terminated for default, in accordance with the clause thereof entitled "Default." Such termination will be effective 8:30 a.m., May 3, 1980.
4. After reviewing International Verbatim Reporters, Inc.'s letter dated April 25, 1980, I have determined that failure to perform in accordance with the provisions of the contract and failure to make progress so as to endanger performance of this contract in accordance with its terms did not arise out of causes beyond your control and without your fault or negligence; and therefore, failure to perform is not excusable. The services required under the contract will be procured against your account, and you will be held liable for any excess costs.
5. The Government reserves all rights and remedies provided by law or under this contract, in addition to charging excess costs.

6. This is the final decision of the Contracting Officer. Decisions on disputed questions of fact that are subject to the procedure of the "Disputes" clause and other questions may be appealed in accordance with the provisions of the "Disputes" clause. If you decide to make such an appeal from this decision, written notice thereof must be mailed or otherwise furnished to the Contracting Officer within thirty (30) days from the date you receive this decision. Such notice should be addressed to the Chairman, U.S. Nuclear Regulatory Commission, Washington, D. C. 20555 and should indicate that it is intended to constitute an appeal and should reference this decision and identify the contract number.
7. You are further advised that you may elect to proceed in accordance with the provisions of the Contract Disputes Act of 1978 (copy attached). Your rights are as set forth in that Act. If you elect to appeal under the Act you must do so in the manner set forth above within 90 days from the date you receive this decision.

(c) This Act does not apply to a contract with a foreign government, or agency thereof, or international organization, or subsidiary body thereof, if the head of the agency determines that the application of the Act to the contract would not be in the public interest.

Liability under this subsection shall be determined within six years of the commission of such misrepresentation of fact or fraud.

DECISION BY THE CONTRACTING OFFICER

41 USC 605

action to

SEC. 6. (a) All claims by a contractor against the government relating to a contract shall be in writing and shall be submitted to the contracting officer for a decision. All claims by the government against a contractor relating to a contract shall be the subject of a decision by the contracting officer. The contracting officer shall issue his decisions in writing, and shall mail or otherwise furnish a copy of the decision to the contractor. The decision shall state the reasons for the decision reached, and shall inform the contractor of his rights as provided in this Act. Specific findings of fact are not required, but, if made, shall not be binding in any subsequent proceeding. The authority of this subsection shall not extend to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another Federal agency is specifically authorized to administer, settle, or determine. This section shall not authorize any agency head to settle, compromise, pay, or otherwise adjust any claim involving fraud.

(b) The contracting officer's decision on the claim shall be final and conclusive and not subject to review by any forum, tribunal, or Government agency, unless an appeal or suit is timely commenced as

authorized by this Act. Nothing in this Act shall prohibit executive agencies from including a clause in government contracts requiring that pending final decision of an appeal, motion, or final settlement, a contractor shall proceed diligently with performance of the contract in accordance with the contracting officer's decision.

(c) (1) A contracting officer shall issue a decision on any submitted claim of \$50,000 or less within sixty days from his receipt of a written request from the contractor that a decision be rendered within that period. For claims of more than \$50,000, the contractor shall certify that the claim is made in good faith, that the supporting data are accurate and complete to the best of his knowledge and belief, and that the amount requested accurately reflects the contract adjustment for which the contractor believes the government is liable.

(2) A contracting officer shall, within sixty days of receipt of a submitted certified claim over \$50,000—

(A) issue a decision; or

(B) notify the contractor of the time within which a decision will be issued.

(3) The decision of a contracting officer on submitted claims shall be issued within a reasonable time, in accordance with regulations promulgated by the agency, taking into account such factors as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the contractor.

(4) A contractor may request the agency board of contract appeals to direct a contracting officer to issue a decision in a specified period of time, as determined by the board, in the event of undue delay on the part of the contracting officer.

(5) Any failure by the contracting officer to issue a decision on a contract claim within the period required will be deemed to be a decision by the contracting officer denying the claim and will authorize the commencement of the appeal or suit on the claim as otherwise provided in this Act. However, in the event an appeal or suit is so commenced in the absence of a prior decision by the contracting officer, the tribunal concerned may, at its option, stay the proceedings to obtain a decision on the claim by the contracting officer.

CONTRACTOR'S RIGHT OF APPEAL TO BOARD OF CONTRACT APPEALS

SEC. 7. Within ninety days from the date of receipt of a contracting officer's decision under section 6, the contractor may appeal such decision to an agency board of contract appeals, as provided in section 8.

SEC. 8. (a) (1) Except as provided in paragraph (2) an agency board of contract appeals may be established within an executive agency when the agency head, after consultation with the Administrator, determines from a workload study that the volume of contract claims justifies the establishment of a full-time agency board of at least three members who shall have no other inconsistent duties. Workload studies will be updated at least once every three years and submitted to the Administrator.

(2) The Board of Directors of the Tennessee Valley Authority may establish a board of contract appeals for the Authority of an indeterminate number of members.
