IN RESPONSE REFER
TO FOIA-80-143

Dear Mr. Audin:

This is in further response to your letter of March 15, 1980, in which you requested, pursuant to the Freedom of Information Act, seven categories of documents regarding spent fuel pools at Indian Point 1 and 2.

Our search indicates that there are no records subject to your request under category 5, which was the only category not covered in our initial response to you on April 7, 1980.

This completes action on your request.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Dear Sir/Madam;

In accordance with 5 USC 552 (Freedom of Information Act), I request copies of the following documents be sent to the address below:

1. correspondence between NRC and Consolidate Edison Co. regarding expansion of spent fuel pools at Indian Point 2 after 1977
2. engineering drawings of: the spent fuel pools of Indian Point 1 and 2 and a representative fuel assembly for each reactor
3. a floor plan of the Indian Point facility which shows the placement of the spent fuel pools for Indian Point 1 and 2
4. any document concerning use of the Indian Point 1 fuel pool for Indian Point 2 spent fuel
5. shipping documents and any inspection reports detailing: the casks used to move spent fuel from Indian Point to the West Valley reprocessing facility, the number of trips made and the approximate dates of the shipments
6. any correspondence concerning the use of barges to deliver parts to the Indian Point facilities during construction, or to remove spent fuel from the facility
7. any policy statement, correspondence with Con Ed or NRC guidelines concerning the maintenance of full core reserve in spent fuel pools.

Thank you for your attention to my requests. I understand that you have 10 days to acknowledge receipt of my request and 30 days in which to respond to it.

Yours,
Lindsay Audin
