Dear Sirs,

I am writing to you about a study I am doing on The Harrisburg Nuclear Power Plant. I would appreciate it if you could answer a couple of questions:

1. Will there be any long range effects on the area near the plant?
2. Could you tell me the estimated cost of the damage on the plant?

I would appreciate it if you could answer this letter and thank you for your time.

Sincerely yours,

*Tony Volpe*
