April 16, 1980

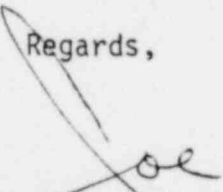

Mr. Robert M. Ketchel, Manager  
Regulation & Marketing Support  
Power Systems Sector  
General Electric Company  
777 Fourteenth Street, N. W.  
Washington, D. C. 20005

Dear Bob:

Thanks for your letter of invitation to speak to the BWR Owners Training Conference on September 17, 1980. I would like to do the talk, and to see what is going on at San Jose these days.

I will put the date on my calendar and hold it, subject to Congressional preemption or to a possible need to be in Europe that week.

Regards,

  
Joseph M. Hendrie  
Commissioner
