RE: USA/9036/B

Dear Mr. MacDonald:

Thank you for your letter of March 17 reminding us to renew our Certificate of Compliance No. 9036 which expires June 30, 1980. We do, in fact, wish to renew.

On February 26, 1980, we wrote to you requesting that the Certificate be renewed and that the unit remain unchanged since it's original approval. We are pleased to report the unit has been in service over 5 years with no incidents.

On March 5, we received a request for a renewal fee of \$150.00 which we remitted to the License Fee Management Branch on March 12.

Please advise if you require further information and thank you for your assistance.

Kindest personal regards,

S.P.E.C.
