FREEDOM OF INFORMATION
ACT REQUEST

FOIA-80-202
rec'd 4-11-80

Dear Mr. Carr:

This is a request under the Freedom of Information Act as amended (5U.S.C. 552).

I write to request details relating to the security provisions now being employed in the transport of radioactive wastes and bomb-grade nuclear materials, including any evaluations of safeguards against theft and diversion that may have been made.

The FOIA provides that if only portions of a file are exempted from release, the remainder must be released. I therefore request that I be provided with all non-exempt portions which are reasonably segregable. I, of course, reserve my right to appeal the withholding or deletion of any information.

If you have any questions regarding this request, please telephone me at the above number.

As provided in the Freedom of Information Act, I will expect to receive a reply within ten working days.

Sincerely yours,

Paul Sheldon Davis
