Dear President Carter,

Don't you think

that Harrisburg should
have been considered

an emergency because

almost all the people

in our area left

because family & we

were totally confused.

(about 3 mile)

I have all my re-
ceipts as others do

If there is a Flood
or hurricane it was
called a Natural

Emergency. Now again

6 months later people
are concerned. Why!

I want an answer please.

From your not papers

and if you lived
here & saw the same
of children & people
I can not understand
why the Governor &
you did not help
We had to listen to
our children & the
scammer where they
were all confused.

I should like
awaiting a reply if
you want a 100 names
or a 100! Just let
me know.

Yours sincerely
Mrs Sylvia M. M. M.
