Mr. Earl G. Wright  
U.S. Nuclear Regulatory Commission  
Procedures & Certification Branch  
Division of Fuel Cycle and Material Safety  
Washington, D.C. 20555

Dear Mr. Wright:

In reference to our NRC Materials License which expires on September 30, 1980, License No. STB 1254, Docket No. 040-08406, we wonder what steps we must take at this time to secure renewal of this license.

I'll look forward to hearing from you at your convenience.

Thank you for your cooperation.

Sincerely,

THE PASSES CO.
