RE: Dockets 70-1193 and 70-925

Dear Mr. Keppler:

This is an amended report of effluent releases for activities conducted under license No. SNM-928 and No. SNM-1174 during the second six months of 1979. Data posting errors resulted in incorrect values which were reported to you in our letter of February 7, 1980. Enclosed are the corrected reports.

We hope this has not caused you too much inconvenience.

Very truly yours,

for W. J. Shelley, Director
Regulation and Control
