Transportation Certification Branch
Division of Fuel Cycle and Material Safety
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Attention: Mr. Charles E. McDonald

Dear Sir:

As our two previous letters to Mr. Jack Sprawl stated, the term Radiation Protection Officer as carried on our Organization Chart is a typographical error, and the title should read "Radiation Safety Officer" as per the text. Enclosed please find the amended Organization Chart.

If you have any further questions regarding this matter, please feel free to contact me at 1-800-243-0392.

Very truly yours,

Louis R. DiValerio
Radiation Safety Officer
