U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

ATTENTION: MS. ELAINE HEMBY

Subject: Nuclear Export License

Dear Ms. Hemby,

Based on recent changes in our production schedule, it is respectfully requested that the expiration dates be extended on following licenses.

License Nos. XCOM 0215, 0236, 0244 - from 6/1/81 to 1/31/81.

License No. 0217 - from 1/1/80 to 1/31/81.

All valves were delivered in 1979 except for 5 pcs. which are being subjected to an extended test program.

Your usual fine cooperation is requested and appreciated.

Sincerely,

Paul N. Brush
