Gentlemen:

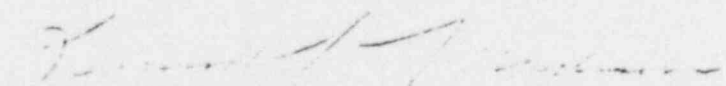

This is to confirm our telephone conversation today concerning the subject Docket and our response to the Notice of Deviation which is due on April 6, 1980 in accordance with your letter addressed to our Mr. W. F. Jones, Vice President and General Manager, dated March 4, 1980.

We have requested an extension of one week since Mr. Jones, to whom our Quality Control reports, will be away until sometime next week. We believe that it is not only important, but necessary, that he has the opportunity to review and approve our response before it is mailed.

We sincerely appreciate your granting this extension. Our response submittal will be in the mail no later than April 11, 1980.

Very truly yours,
