Re: Export License No. XSNM-1483 - TN Ref: 79-102/01  
(NUK-274)

Dear Mr. Moore:

Please amend this export license to reflect that material will be shipped  
in the form of uranium metal instead of uranium hexafluoride.

Thanking you in advance for your help and cooperation.

Sincerely,

Vicki Matson  
Assistant Manager  
Washington Operations
