TMI Program Office  
Attn: J. T. Collins, Deputy Program Manager  
U. S. Nuclear Regulatory Commission  
c/o Three Mile Island Nuclear Station  
Middletown, PA 17057

Dear Sir:

Three Mile Island Nuclear Station, Unit II (TMI-2)  
Operating License No. DPR-73  
Docket No. 50-320  
Evaporator/Solidification Facility

Our letter to you, dated December 21, 1979 (GQL 1509), specifies that we will submit a report on the Evaporator/Solidification processing system in April, 1980.

Work on this report, the Technical Evaluation Report (TER), is ongoing. Because of a limitation on manpower availability, the schedule for generation of this TER has been extended to show a submittal date of August, 1980. Our current schedule for this facility indicates operational readiness in mid-1982.

Sincerely,

/s/ R. F. Wilson for

G. K. Hovey  
Director, TMI-II
