Docket No. 50-142  
License R-71 (UCLA)

Dear Mr. Reid:

The attachments are in response to your letter and questions of April 17, 1980. The responses, prepared by the staff, have been reviewed by a majority of the Radiation Use Committee, and the School's representative on the Campus Radiation Safety Committee.

Question 14 arises partially from typographical errors and accidental omissions in Table III/6-1. Others items of Errata have been found, and a list of those items and the proposed corrections is included.

Sincerely,

R. R. O'Neill  
Dean
