DOCKET NUMBER
 PROPOSED RULE PR-19 et al. ⑦
 (45 FR 15184)

Secretary of the Commission
 U.S. Nuclear Regulatory Commission
 Washington, D.C. 20555

Attention: Docketing and Service Branch

Subject: Proposed Rulemaking on Protection of Employees
 who Provide Information to the Commission
 45 FR 15184 March 10, 1980.

Dear Sir:

Commonwealth Edison Company has reviewed the subject proposed rule. We agree with the intent of the action but feel there should be some recourse for a company against an employee who repeatedly uses this as a means of harassment by making unfounded and unsubstantiated claims. In its present form the proposed rule makes no provision for this.

We appreciate having been given the opportunity to comment.

Respectfully,

D. L. Peoples
