Gentlemen:

This refers to your consolidated application dated January 11, 1980 requesting renewal and amendment of Certificate of Compliance No. 9022 for the Model No. CE-250-2 shipping package.

In connection with our review, we need the information identified in the enclosure to this letter.

Please advise us within thirty (30) days from the date of this letter when this information will be provided. The additional information requested by this letter should be submitted in the form of revised pages to the consolidated Safety Analysis Report in order to preserve the continuity of your application. If you have any questions regarding this matter, we will be pleased to meet with you and your staff.

Sincerely,

  
Charles E. MacDonald, Chief  
Transportation Certification Branch  
Division of Fuel Cycle and  
Material Safety, NMSS

Docket No. 71-9022

Encl. Ltr. dtd. MAY 01 1980

1. Drawing No. NFM-E-Z2175 provided with your consolidated application was not legible, since it was reproduced in a size too small to allow all portions of the drawing to be read. Please supply a set of legible drawings.
2. Drawing No. NFM-E-Z2175 is not the drawing currently approved on certificate number 9022. Please delineate the changes made with respect to the original drawing and discuss their safety significance.
