Docket No. 50-312

Sacramento Municipal Utility District  
P. O. Box 15830  
Sacramento, California 95813

Attention: Mr. William C. Walbridge  
General Manager

Subject: NRC Inspection

This refers to the inspection conducted by Messrs. H. L. Canter, J. O. Elin, and W. J. Wagner of this office on February 1-29, 1980, of activities authorized by NRC License No. DPR-54, and to the discussion of our findings held by Messrs. Engelken, Canter, and myself with Mr. Mattimoe and other members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspectors.

Enforcement action related to this inspection will be the subject of separate correspondence from Mr. Victor Stello, Jr., Director, Office of Inspection and Enforcement.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you submit a written application to this office, within 20 days of the date of this letter, requesting that such information be withheld from public disclosure. The application must include a full statement of the reasons why it is claimed that the information is proprietary. The application should be prepared so that any proprietary information identified is contained in an enclosure to the application, since the application without the enclosure will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
