Dear Mr. Scherer:

SUBJECT: CHANGES TO CENPD-210-A REVISION 3

We have reviewed your letter of March 27, 1980 concerning changes to the Combustion Engineering, Inc. topical report CENPD-210-A Revision 3, "Quality Assurance Program," November 1977. We agree with your assessment that the changes do not reduce the effectiveness of the QA program, and we find the changes acceptable. We note your commitment to incorporate these changes into the topical report during the second quarter of 1980.

Sincerely,
