Docket Nos. 50-440, 441

Mr. Robert M. Ginn, President
The Cleveland Electric Illuminating Company
P. O. Box 5000
Cleveland, Ohio 44101

Dear Mr. Ginn:

Thank you for your letter of March 10, 1980. We welcome your support of our performance appraisal function. The methodology for the management appraisal inspections of licensees with facilities under construction will be developed during FY 80. Implementation of this methodology will begin in FY 81. If your organization is selected for one of these inspections, you will be notified well in advance of the inspection.

Sincerely,
