P R O C E E D I N G S

CHAIRMAN AHEARNE: We have one affirmation, I believe.

MR. CHILK: This is SECY-80-90, dealing with post-CP design and other changes.

The Commission, with all commissioners concurring, approves the recommendation of the paper to publish for public comment advance notice of a proposed rulemaking which describes issues, alternatives, preferences and a range of options.

The comments that all of you made will be incorporated in the directive.

Would you please affirm your votes?

(There was a chorus of "ayes.")

CHAIRMAN AHEARNE: Thank you.

(Whereupon, at 4:15 p.m., the affirmation session was concluded.)
