Re: Review Group Report on Safety Issues raised by
Ronald G. Clary Concerning Regulatory Reviews of
Package Designs for Radioactive Materials

Dear Mr. Bernero:

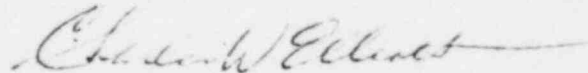

I have reviewed the first four pages of the report of
the above review group, formed in response to Mr. Clary's memorandum of
November 4, 1977, to C.E. MacDonald, with interest.

I would appreciate copy of Mr. Clary's original memorandum
of November 4, 1977, and the entire report of the review group, so that
I may be assured of having a complete picture of Mr. Clary's concerns and the
Commission's response to them.

Any assistance your staff could give me in obtaining
these copies without the necessity of a formal FOI request to the office
of Administration would be greatly appreciated.

Thank you in advance for your assistance in this request.

Very truly yours,

CHARLES W. ELLIOTT
