Committee on Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Sandy:

It was thoughtful of you to send me a copy of your Law Journal article on nuclear waste disposal. A quick skimming tells me that it is a very well-written, well-organized and well-researched piece. I am looking forward to a more careful reading which I am sure will be rewarding.

Thanks again for sending it along. Best wishes.

Sincerely,
