Licensing Administrator
P.O. Box 81008

Gentlemen:

This refers to your July 2, 1979 letter (SHP-1076) which requested NRC approval of your plan to implement physical protection measures for a HEU shipment in-transit. The approval was issued in response on July 13, 1979 (copy enclosed).

Through an oversight, the July 13 approval was issued without the payment of the prescribed fee. Your July 2, 1979 request is subject to the \$150 administrative amendment fee specified in fee Category 1A of Section 170.31 of Part 170. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention.

We applogize for the delay in notifying you of the fee. If you have any questions, please let us know.

Sincerely,

Original Signed By
