FREEDOM OF INFORMATION
ACT REQUEST.

FOIA-80-183

rec'd 4-4-80

Dear Mr. Chariman:

Attn: Freedom of Information Act Request

Under the Freedom of Information Act, 5, U.S.C. 552, I am requesting access to records concerning: handling, storage, transportation, disposal and safeguards concerning nuclear waste for past, present, and contemplated installations. This should encompass both domestic and foreign sites. The information should contain: dates, places, methods, authorization and reasons.

If there are any fees for searching for, or copying, the records I have requested, please supply the records without informing me if the fees do not exceed \$35.00.

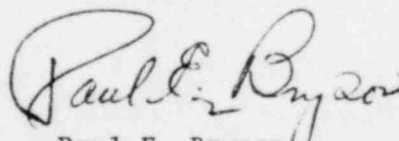

I am requesting this information to assist me in writing a research term paper for a course requirement at Drexel University; where I am an evening student.

As you know, the act permits you to reduce or waive fees when the release of the information is considered as "primarily benefiting the public" I believe that this request fits that category and I therefore ask that you waive any fees.

If all or any part of this request is denied, please cite the specific exemption(s) which you think justifies your refusal to release the information, and inform me of the appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 days, as the law stipulates.

Sincerely,

Paul E. Bryson
