Dear Mr. Davis:

This is in reply to your letter dated April 8, 1980, in which you requested, pursuant to the Freedom of Information Act, details relating to the security provisions now being employed in the transport of radioactive wastes and bomb-grade materials, including any evaluations of safeguards against theft and diversion that may have been made.

In response to your request, we have identified the documents listed in Appendix A as being subject to your request. Copies of documents 11 and 12 are enclosed (85 pages). Copies of documents 9 and 10 may be purchased from the National Technical Information Service (NTIS), U.S. Department of Commerce, Springfield, Virginia 22161. Copies of documents one through eight and 13 may be purchased by writing to the NRC Public Document Room (PDR), 1717 H Street, N.W., Washington, DC 20555. The charge for reproducing records located in the PDR is eight cents (\$0.08) per page, as specified in 10 CFR 9.14(a) (copy enclosed), of the Commission's regulations. Upon your agreement to pay the reproduction charges, the PDR will arrange for the records to be reproduced by Potomac Research, Inc., a private reproduction contractor servicing the PDR.
