Dear Shawn,

I am writing in reference to the Nuclear Stress Lab at Clinic by the Sea.

Clinic by the Sea:

1. Accepts Molecular Imaging sources;
2. Accepts facility as is;
3. List survey instruments, dose calibrator, and wipe test counter that will possess.

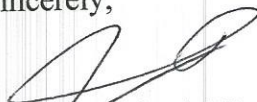

Inventory:

Survey Meter: Ludlum Model 14C Serial # 218383

Ludlum 2200 Serial # 211086

Dose Calibrator: Capintec CRC-15R Serial # 157662

Sincerely,

Georges Dahr, M.D.
