On November 7, 1978, we notified you of a problem involving certain Kay-Ray gauges and asked you to write affected Kay-Ray customers in your State to take corrective action. A list of Agreement State customers was included (Enclosure). I also asked for a summary of the results of your efforts. To date, we have not received a response from you. I would appreciate receiving the requested information so that we can close this case.

G. Wayne Kerr
G. Wayne Kerr
