Gentlemen:

This letter is to acknowledge the receipt of your response dated April 22, 1980, informing us of the steps you have taken to correct the item of noncompliance which we brought to your attention in Inspection Report No. 50-546/80-06, 50-547/80-06.

On May 8, 1980, a meeting between Mr. L. D. Ramsett of your office and representatives of RIII was held to discuss the subject response. As a result, Mr. Ramsett informed us that PSI would submit additional information to provide further clarification of the existing response. We will examine your resolution of these matters upon receipt of that additional information.

Your cooperation with us is appreciated.

Sincerely,
