APPLICANT'S REQUEST FOR EXTENSION OF TIME

On April 15, 1980 David Springer filed a petition to intervene in the above captioned proceeding. Pursuant to 10 CFR 2.714, Applicant's response would be due today, April 30, 1980. However, Mr. Springer's petition to intervene was served on Applicant's counsel at his old address, <sup>1/</sup> <sup>2/</sup> and thus did not arrive at Applicant's counsel's office until yesterday, April 29, 1980. On April 29, 1980 Applicant's counsel was out of town and engaged in a hearing before another Atomic Safety and Licensing Board.

Accordingly, pursuant to 10 CFR 2.711, Applicant requests an extension of time until May 9, 1980 to file a response

In an effort to clarify this merely procedural matter, Applicant's counsel attempted to obtain Mr. Springer's consent in the requested extension of time. Applicant's counsel was unable to contact Mr. Springer and accordingly files the instant motion.

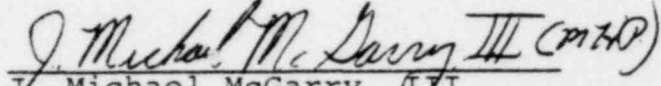

---

1/ The Certificate of Service attached to the Petition to intervene indicates that the Applicant's counsel was served at his old address.

2/ By letter of January 15, 1979, Applicant's counsel informed the Board and parties of its new address.

Respectfully submitted,
